Use the chart above to fill the number of eyeglasses you request of each prescription (RX). This chart shows the eyeglasses that LERCNOVA keeps in stock. Sometimes certain RX are not available. The eyeglasses have been cleaned, read, sorted and bagged according to the right eye prescription.

Since the eyeglasses your mission receives are donated, it is requested that you send LERCNOVA a report within a month of the conclusion of your mission stating when and where, the number of patients served , and the number of eyeglasses dispensed, along with a photo, if available. We do request that you pay for shipping from LERCNOVA. An invoice will follow by text / email / mail.

Thank you for your service.
